

Abby West

VP, Editorial Director

HarperCollins Publishers - Amistad Books

Abby West comes to HarperCollins from Audible, where she was Director of Inclusive Content Programming, overseeing the company's Hear My Story program and working to amplify diverse voices, narratives, and content across all audio entertainment genres and formats. A journalist and digital content strategist, Abby has also held editorial roles at Essence, Entertainment Weekly, and People, developing a love for stories that explore, empower, and celebrate underrepresented communities.
